PRESENTING OUR LATEST ACCOMPLISHMENT:

The Location: **Bel Air Market**, Carmichael, CA - a Raley's fine supermarket

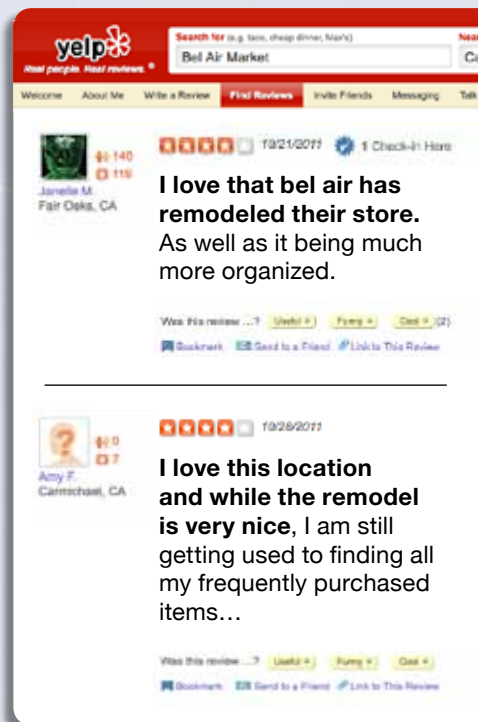

The Project: **Transform and reorganize** an older outdated store into a light, bright, modern place to shop

The Challenge: **Complete all this while the store remains open** to their valued customers with limited inconveniences

How'd we do? Mission accomplished! Check out our before and after photos below. Plus, we're already seeing some great Yelp reviews online from their customers.
